

# The Blue Goose Int'l- Va Pond's 9th Annual **SHUCKIN' & JIVIN'** Oct 16, 2019

Hello Industry Professional,

I want to take a moment of your time to invite you to help out with a great charity opportunity. I am a member of the Virginia Pond of the Blue Goose Int'l. We are a charitable organization comprised of insurance industry professionals. We have helped many charities throughout the years. Please check us out at [www.vapond.org](http://www.vapond.org) to learn about us & some of our charitable works.

We are having our 9th Annual **Shuckin' & Jivin'** event this Oct 16, 2019. It will be a great evening of great food, fellowship and fantastic entertainment!!! This event has previously been well attended and enabled us to help the USO and the CZC. The charity we are again supporting with this year's event is the Comfort Zone Camp (CZC) for grieving kids that have lost a parent. Please check them out at [www.comfortzonecamp.org](http://www.comfortzonecamp.org) and you will see what a great service they provide.

We can really use your help this year to make this a successful event! We are asking for your financial support for the evening. Any amount is greatly appreciated. We announce all sponsors and list them both on a sign at the event and on our website. This years event is shaping to be epic as we will again be on the patio at the Richmond Country Club!! <http://www.richmondcountryclubva.com/> And did I mention that Bethany Gates will be our special musical guest? <http://www.bethanygates.com/> Bethany was recently voted 2nd in Style Weekly 2019 Best of Richmond for Best Local Artist!! Can it get any better? Yes, with your help, we can really make a positive impact on some deserving kids!

Let me know if you can step up and help out with this worthy event. Mark it on your calendar as well. I thank you personally and on behalf of the Blue Goose and CZC! We can really use your help with this!! Please consider being a sponsor &/or attending. Thanks.
